Subject: Announcement of the 2023 ASA, SFC Earl S. Ellis Memorial Scholarship Program

The ASA, SFC Earl S. Ellis Memorial Committee is proud to announce the 2023 Scholarship Program. The association recognizes challenges associated with receiving a quality education. Assisting our regular members' students in achieving their academic goals is a key objective of the association. In support of this effort ASA's SFC Earl S. Ellis Memorial Committee is offering college scholarships for selected regular members, their children and spouses.

Proceeds from ASA fund raising activities, special events, and direct donations from sponsors allow the association to fund this year's scholarship program. Providing these scholarships is not possible without member support and the gracious donations received from sponsors.

Rules and regulations for this year's scholarship program are enclosed. Please read them carefully. The application process for this year's scholarship program begins December 1, 2022. To qualify, submitted applications require a postmark or e-mail receipt date no later than January 31, 2022. Awardees are announced via e-mail February 28, 2023. A scholarship awards ceremony is conducted in conjunction with the International Sniper Competition awards banquet at Columbus, GA. 21 April 2023, all scholarship awardees are encouraged to attend.

On behalf of ASA and the SFC Earl S. Ellis Memorial Committee, we wish all students continued success achieving their college or vocational training goals. We looked forward to receiving your applications.

Sincerely,

Ron Kuykendall
President
Army Sniper Association
